PRIVILEGE MOTION.

Budget Speech of the Chief Minister in the Council.

Mr. SPEAKER.—I have received notice of a motion on a matter of privilege from Sri S. Gopala Gowda. It is to the effect that the speech of the Hon'ble the Chief Minister in the Legislative Council on the 15th when introducing the Budget, as reported in *Viswakarnataka*, contains matter which casts reflection on the debates of the Members of this House.

At this stage I do not want to examine whether the complaint involves a *prima facie* case of breach of privilege. I request the Member to kindly wait till the official proceedings of the debates of the Council on the 15th are published and to renew the notice thereafter if he considers it necessary to do so. I shall then treat the notice as having been received at the earliest opportunity and shall not disallow the notice on that ground.
